Dear Provider,

Goold Health Systems (GHS) is seeking feedback from testing partners (pharmacies and software vendors) to assist with our preparation to implement a Point of Sale (POS) upgrade for the State of Maine Pharmacy Program by the March 2014 deadline. Below is a summary of information regarding our upcoming pilot testing in preparation for the upgrade.

1. We will not require certification.
2. For testing purposes and questions regarding testing, contact: **POSTechSupport@ghsinc.com**
3. Updated Payer Sheet is available on the <http://www.ghsinc.com/payer-sheets> website on the Provider Information page.
4. Test Cases will be available February 21, 2014.
5. You will be testing with your current NPI, which should be on file with GHS.
6. We will be providing you with test cases, test patient data as well as distinct test scenarios for pilot testing upon registration.
7. Information regarding pilot testing will be posted at <http://www.ghsinc.com/payer-sheets>. Please check back often for updates.
8. We will be sending out future notices regarding the MEPOS vD.0 changes for the Medicaid COB claims via fax blast as well as posting to the above website. Once you are registered to participate in pilot testing, you will be contacted directly from our implementation team with test information to use.

Please provide the following information by February 21, 2014 to be included in MEPOS pilot testing. Information can be returned to POSTechSupport@ghsinc.com or faxed to 877-853-8533:
