**OTC Naloxone Standing Order Update**

On 8/24/2023, in partnership with the Maine Center for Disease Control and Prevention, MaineCare authorized a Standing Order for licensed pharmacists to create a single use prescription for over the counter (OTC) naloxone two dose nasal spray kit. This standing order can be accessed on the MaineCare website under the General Pharmacy Info section.

The Standing Order authorizes licensed pharmacists to create a single use prescription utilizing the NPI number 1023303708 as the prescriber NPI on the claim. When submitting claims from the standing order, please remove the Provider Auto-Refill Notification and Refill Request settings on these prescriptions.

As a reminder, the OTC naloxone nasal spray Standing Order is for use with MaineCare member prescriptions only.
